CSA Foundation 2019 Grant Application

1. Please complete the following contact information for the applicant: *

First Name

Last Name

Credentials (MD, PhD...etc.)

Title

Company Name

City

State

Country

Email Address

Mobile Phone

Are you a CSA Member in Good Standing? *

◯ Yes

◯ No

2. Please complete the following contact information for the PI: *

First Name

Last Name

Credentials (MD, PhD...etc.)

Title

Company Name

City

State

Country

Email Address

Mobile Phone

Is the PI a CSA Member in Good Standing? *

○ Yes

○ No

3. Grant Applicant Type
*

- ○ Basic Scienc
- ○ Clinical

4. Is this a renewal or continuation of an existing CSAF supported project? *

- ○ Yes
- ○ No

5. Please provide your **BACKGROUND AND HYPOTHESIS** (500 characters or less): *

6. Please describe your **SPECIFIC AIMS** (500 characters or less): *

7. Please detail your **METHODS** (500 characters or less): Give details of the research plan, including the methods, species of animals when applicable, and the means by which the data will be analyzed. *

8. Does your project involve animals or human subjects? If so, please upload a copy of the ICAAC approval form and/or the Institutional Review Board approval form here.

Browse...

9. Discuss the **SIGNIFICANCE** of this project (500 characters or less): Clarify the health-related implications of the research and the value of the work. *

10. Describe the **FACILITIES AVAILABLE** (1,000 characters or less):

Describe the facilities available including laboratories, clinical resources, office space, animal quarters, etc. List all major items of equipment available. *

11. **DISCLOSE OTHER SUPPORT** (500 characters or less):

Identify other funding available to the investigator or available in the same institution or laboratory for the project requested. *

12.

Upload BUDGET (multiple files allowed):

Personnel: CSAF grants do not provide salaries for faculty or support staff.

Supplies: Provide an itemized list of supplies, the quantity of each type of supply needed and the total cost of each category of supplies.

Equipment: Equipment requests must be restricted to items specifically needed to conduct the project and must be justified in detail. Generally equipment whose cost would consume a major portion of the grant is not supported. Animals and Animal Care: For those proposals involving animal research, the cost of animal purchase and maintenance should be itemized.

Patient Care: Grants requesting patient care costs must itemize and justify those costs.

Travel: Travel will be supported if it is essential to the project and is outside the investigator's local area. The need for travel must be justified.

Indirect Costs: CSAF awards are not allowed to support institutional indirect costs. *

15. **Do you and your PI agree to abide by the following procedures associated with the awards?**

The awardee and sponsor whose proposal is accepted by the CSAF will be notified in writing and the award will be announced at the annual meeting. The awardee must be present at the annual business meeting to receive the award and to attend the following year's meeting to present a brief progress report. The meeting registration fee will be waived for these 2 meetings.

As a condition of the award, the CSAF shall be credited within any publication or at the time of any presentation based in full or in part on projects supported by a CSAF Grant. A copy of any publication or presentation should be sent to the CSA Foundation office.
